# THE CAPE HOSPITAL BOARD

## REPORT OF THE CHAIRMAN OF THE BOARD FOR THE YEAR ENDED 31ST DECEMBER, 1947.

I have pleasure in submitting the following report on the work of the Board during the past year. This is the thirty-fourth Annual Report, and from my own knowledge I can speak of the tremendous increase in the work since the inception of the Board in 1913.

The following figures will show how the work has increased even during the last three years :

	1945.	1946.	1947.
<i>In-patients.</i>			
Number of cases treated .. ..	24,775	28,982	31,539

The following is a brief summary of the developments which have taken place during the past twelve months :

### HOSPITAL DEVELOPMENT :

The Board's comprehensive scheme of hospital development was revised during the year and submitted to the Provincial Administration. Amongst the many extensions contemplated are the following :

New Hospital of 600—800 beds at Athlone (for non-Europeans).

New Maternity Hospital and Lying-in Homes.

European Hospital for Sea Point area.

Convalescent Hospital.

It is intended that the Athlone Hospital shall take the place of the Somerset Hospital, as Athlone is a more central situation for the non-European population. This hospital will be a training school for nurses and medical students. The Somerset Hospital will probably then be used for other purposes ; including, possibly, a European hospital.

Approximately 27 morgen in the Uitvlugt-Epping area has been granted to the Board by the Department of Lands as a site for the Convalescent Hospital, and I should like to record my appreciation of this generous gesture on the part of the Government.

### NURSING STAFF :

**Vacancies on Nursing Staff.**—Difficulty has been experienced during the year in filling vacancies on the nursing staff, and a number of nurses have been imported from overseas. There is still a great dearth of applications from prospective trainees, and this is a serious matter in view of the development of hospital services which it is hoped will take place in the near future.

**Nursing College.**—With the establishment of a Nursing College improved facilities for the training of nurses will be available, and it is hoped that girls leaving school will seriously consider taking up the nursing profession, in which there are not only many advantages, but in which an opportunity is given to benefit humanity.

**Block Training.**—The institution of “ block ” training at the Groote Schuur Hospital has proved to be a great success, and similar training will shortly be provided for nurses at the Wynberg Hospital. When the Nursing College is established this system will, of course, be extended to all trainees.

**Bursaries.**—With a view to encouraging nurses to train as Sister Tutors, bursaries are granted by the Provincial Administration. These bursaries, which are available to nurses throughout the Province, comprise University fees at the Cape Town University and full pay during the period of training; the practical instruction is obtained at the Groote Schuur Hospital.

**Matron's Salary Scales.**—New and improved salary scales for Matrons were introduced during the year.

**Salary of non-European Nurses.**—The Board has repeatedly drawn the attention of the Provincial Administration to the great discrepancy in the salaries paid to European and non-European nurses, and have strongly urged that the salaries and allowances of non-Europeans should be at least 80 per cent. of those paid to Europeans. This matter is, I understand, now before the Consultative Committee.

## **GROOTE SCHUUR HOSPITAL :**

**Extension of Accommodation.**—It has been found that the accommodation in most of the departments is inadequate for present needs, so greatly has the work in all directions grown during the past few years. A new out-patient department is urgently required, and the extension of the Radiological, Orthopaedic, Physio-therapy and Occupational Therapy departments must be considered in the near future. The Board hopes to obtain permission to appoint an Architect to assist in the planning of these alterations and extensions so as to make the best use of the limited space available.

**Re-organisation.**—The re-organisation of the staff to provide for the efficient running of the institution and the great increase in the work is at present under consideration.

**Maternity Services.**—As a result of an outbreak of an epidemic at the Peninsula Maternity Hospital the wards originally planned as an obstetric section were opened during the year. Twenty-two non-European patients are accommodated in this section, the patients previously accommodated there having been transferred to the Private Patients Block. The University Authorities have agreed to this arrangement for a period of 12 months, after which the position will be reconsidered.

The co-operation shown by the University and the Medical and Nursing staffs in meeting this serious emergency was greatly appreciated by the Board.

**Amenities for Nursing Staff.**—It is recognised that the recreational facilities for the nursing staff are inadequate. Two new tennis courts have been provided, and it is hoped, when building restrictions permit, to provide a swimming bath. Several donations have already been received for the latter project, which is estimated to cost £2,000.

**Honorary Medical Staff.**—The following resignations from the Honorary Medical Staff were received with regret :

Dr. L. B. Goldschmidt—Honorary Urologist.

Dr. J. Muir —Honorary Anaesthetist.

Dr. J. Walker —Honorary Dermatologist.

Drs. Goldschmidt and Muir were appointed Honorary Consultants in recognition of their long service, so that their advice and assistance will still be available when required.

**Nursing Staff.**—Sister Butterfield (Radiographer-in-charge), who had been in the Board's service since 1921, retired in June. Sister Butterfield was appointed to the post of X-Ray Sister in July 1923 and gave outstanding service as a nurse and later as a Radiographer. The Board's sincere thanks are due to her for her loyalty and devotion.

## WOODSTOCK HOSPITAL :

**Replanning of Hospital.**—Plans for the rebuilding and extension of the hospital have been prepared and this proposal forms part of the Board's general scheme of hospital development.

**Improvements.**—Several improvements were carried out during the year, including the alteration and re-wiring of the Buxton Ward.

**Honorary Medical Staff.**—The following resignations from the Honorary Medical staff were regretfully accepted :

Dr. Z. J. de Beer—Honorary Visiting Medical Officer.

Dr. E. Steinitz —Honorary Ophthalmic Surgeon.

Dr. de Beer's association with the hospital dates back to 1920 and his loss will be greatly felt by his colleagues.

**Donations.**—A donation of £3,000 has been received from the Cape Building Industry, who have earmarked this sum for a new ward, operating theatre or similar project to commemorate members of the Association who gave their lives during the war.

## RONDEBOSCH HOSPITAL :

**Extensions.**—Plans are at present under consideration by the Provincial Administration for the following extensions and improvements :

Alteration and extension of operating theatre.

Enlargement of nurses' dining-room.

Alterations to kitchen, X-ray room and nurses' quarters.

Additional accommodation for Native boys.

With the consent of the Trustees, the funds collected for the Memorial to the late Dr. A. R. McLachlan (who was Honorary Medical Superintendent for many years) will be used towards the cost of these alterations instead of for a Children's ward as was the original intention. The Committee considered that as the Red Cross War Memorial Children's Hospital would be built in the vicinity, the Children's ward would not be required. The improvement of the operating theatre was urged by Dr. McLachlan many years ago, and the Committee feel that this would be a very fitting memorial to his great work at the hospital.

**Matron.**—Miss F. E. Beck, who had been Matron since 1940, retired during the year, and Miss M. du Toit was appointed in her place. Miss Beck (who, incidentally, joined the Board's service in 1923, trained at the Rondebosch Hospital, and remained on the staff of that Hospital until she retired), carried out the duties of Matron in a manner which endeared her to colleagues and patients alike, and the Board was very sorry indeed to lose her services.

**Honorary Medical Staff.**—Dr. S. F. Silberbauer (Honorary Physician) and Dr. N. B. Peacock (Honorary Medical Officer) resigned during the year, the latter having been appointed Honorary Consultant.

## WYNBERG HOSPITAL :

**Extensions.**—Plans have been prepared for the extension of the Hospital to 250 beds, and this project is also included in the Board's scheme of development.

**Improvements.**—A number of improvements have been carried out during the year. These include the provision of isolation cubicles, a loudspeaker call system, improvements to the babies' bathrooms and the renovation of the nurses' sitting room.

**Resignations.**—Dr. R. Resnekov (Honorary Medical Officer) and Dr. J. L. de Kock (Honorary Dental Surgeon) resigned during the year.

## **SOMERSET HOSPITAL :**

**Improvements and extensions.**—The following improvements and extensions are under consideration :

New dining-room for nurses.

Extension of nursery, Shipley Block.

Extension of out-patient department.

Conversion of ward to provide accommodation for 20 nurses.

The operating theatre has been renovated, and improved ventilation provided.

**Maternity Section.**—During the epidemic at the Peninsula Maternity Hospital, a number of additional maternity cases were dealt with in the Shipley Block, and the sincere thanks of the Board are due to the medical and nursing staff for their whole-hearted co-operation during this difficult period.

**Training of Male Nurses.**—The South African Nursing Council has approved of the Hospital as a training school for male nurses.

## **PENINSULA MATERNITY HOSPITAL :**

**Extensions.**—The Board has now acquired a number of properties adjacent to the Home, and plans are in course of preparation for the rebuilding of the Hospital. Provision will be made for 100 patients, 100 nurses, an out-patient department, isolation ward, etc. It is hoped that an early start will be made with the Nurses' Home, which is urgently required as the existing accommodation is becoming totally inadequate.

**Matron.**—Miss C. Heuser was appointed Matron from 1st January, 1947, vice Miss Reive, and has carried out the duties of the post in a most efficient manner in spite of the many difficulties and problems which arose during the year.

**Epidemic.**—As I have mentioned earlier in this report a serious epidemic broke out during the year and the Hospital was closed from 16th September to 20th October.

Thanks to the whole-hearted co-operation of all concerned, arrangements were made to transfer those patients who could not be cared for in their homes to the Groote Schuur Hospital and Somerset Hospital. I cannot praise too highly the efficiency with which this crisis was met, and the Board and the general public are deeply indebted to the Medical and Nursing staffs for their devotion to duty under the most difficult circumstances.

## **FALSE BAY HOSPITAL :**

**Improvements.**—The whole hospital has been re-wired and other improvements have been carried out.

**Donations.**—The Muizenberg Sports Club, which has always taken a great interest in the Hospital, presented a glass-topped stinkwood cabinet containing an illuminated book in which the names of donors will be written. The Club also gave a donation of £100 for the purchase of surgical beds. These donations were given to commemorate the services of Mr. Somerville, who had been President of the Association for many years.

The False Bay Hospital Association has continued to take a keen interest in the work of the hospital, and as a result of a generous donation from them it was possible to repair the tennis court and provide other amenities for the nursing staff. The very practical interest shown by the Association is greatly appreciated.

**Honorary Medical Staff.**—Dr. A. B. Bull (for many years Honorary Medical Superintendent), Dr. C. Rickard and Dr. W. Schulze resigned during the year. Dr. Bull was appointed Honorary Consultant in recognition of his valuable services in the past.

## LADY MICHAELIS ORTHOPAEDIC HOME :

**Matron.**—Miss B. Aherne retired from the Board's service after a period of 13 years. Under her control the work of this highly-specialised institution was carried out most efficiently and the Board is greatly indebted to her for her excellent services.

**Improvements.**—Alterations are being carried out to the X-Ray Department ; one of the balconies has been enclosed and other improvements have been effected.

## PRINCESS ALICE HOME OF RECOVERY :

**Extensions.**—Plans have been prepared for considerable extensions to the Home. These comprise seven new ward blocks of 40 beds each, accommodation for the nursing staff, operating theatres, etc. The existing building will be converted into administrative and staff quarters. The total cost is estimated at £225,000, and the scheme is still under consideration by the Provincial Administration. The Women's Hospital Auxiliary have promised to make a substantial contribution towards the cost, and already have a large sum in hand. It is hoped that the new drainage scheme will be commenced at an early date.

The urgent need for accommodation for crippled children is well known and the Board is most anxious that the work should proceed as soon as possible.

## EATON AND MACGREGOR CONVALESCENT HOMES :

These two Homes continue to fulfil their very useful function of providing convalescent treatment for children and adults. More patients are now being transferred from the Board's hospitals to the Homes, thus relieving hospital beds for urgent cases.

**Playroom.**—Plans for a playroom for the non-European children at the Eaton Home have been approved. This addition will be a great advantage in the winter weather.

**Medical Superintendent.**—Dr. A. Jowell was appointed Medical Superintendent of the two Homes in April last vice the late Dr. Strafford Hewitt.

## DISTRICT NURSING ORGANISATION :

The very useful work performed by the district nurses in the various branches has been carried out smoothly and efficiently.

I should like to record my appreciation of the voluntary services given by the Local Committee of Branches who assist the nurses in many ways and also collect revenue for the Board.

The following figures will give some indication of the amount of work done during the year :

Number of cases .. .. .	28,688
Number of attendances .. .. .	157,484

The expenditure on this service amounted to £16,302, and when it is considered that there are 16 branches and a staff of 27 it cannot be said that this is unduly high.

## SUBSIDISED MIDWIFERY SERVICE :

The work of this service proceeded smoothly and the subsidised midwives are meeting the needs of a section of the community which would otherwise depend upon untrained persons.

Mrs. J. Hamilton was appointed temporary Supervisor of Midwives and has carried out the onerous duties of the post most satisfactorily.

## CAPE TOWN FREE DISPENSARY :

This institution continues to meet the needs of the poor in a very populous area, and is doing excellent work in relieving the out-patient departments of the hospitals.

Certain improvements and extensions are at present under consideration, and it is hoped that these will improve the efficiency of the institution.

## AMBULANCE SERVICE AND CENTRAL WORKSHOPS :

**Engineer.**—Mr. F. W. Hugall, who held the post of Engineer to the Board for over 21 years, retired during the year and Mr. L. Weight was appointed in his place. Mr. Hugall's excellent services over this very long period were greatly appreciated by the Board.

**Reorganisation.**—The Board has agreed upon a scheme of reorganisation for the central workshops. This will entail the appointment of additional staff and necessitate very much larger workshops, and the question of a site for these premises is now under consideration. It is hoped that eventually all the repairs, structural alterations and additions will be undertaken by the Board's staff and thus enable a considerable saving to be effected.

**Red Cross Society and St. John Ambulance Brigade.**—Special thanks are due to the above Societies for their great assistance to the ambulance Service during the past year.

**Ambulance Service.**—After prolonged negotiations the Board has agreed to undertake the maintenance of the ambulance service on behalf of the local authorities on whom, in terms of Ordinance 18 of 1946, responsibility for providing an ambulance service now devolves. Certain details are still under discussion.

Two new ambulances were put into commission during the year, and other vehicles are on order.

## ORTHOPAEDIC WORKSHOP :

The orthopaedic workshop was moved from the Lady Michaelis Orthopaedic Home to the Somerset Hospital as the accommodation at the Home was inadequate for the growing needs of the service. This is only a temporary measure and it is intended eventually to erect a new workshop, possibly in conjunction with the central workshop referred to above.

A great deal of additional equipment has been provided and highly-skilled and very valuable work is being carried out.

## CENTRAL LAUNDRY :

In spite of staffing difficulties, the Central Laundry has managed to cope with the laundry of all the Board's institutions. The following figures will show the great increase in the work :

							1946.	1947.
Flat	..	..	..	..	..	..	1,534,269	1,607,382
Other	..	..	..	..	..	..	800,433	841,748
							<hr/> 2,334,702	<hr/> 2,449,130

There appears to be a great dearth of trained Laundry Supervisors, and in order to meet the demand the Board has approached the Technical College with a view to a course being instituted for the training of Laundry Supervisors ; the practical part of the course to be taken at the Central Laundry. The Technical College authorities have agreed to assist in this matter, and the scheme has been submitted to the Laundry Association for its views.

## **INSPECTION :**

The Medical Inspector of Hospitals carried out an inspection of all the Board's institutions and organisations, and as a result of the reports submitted by him to the Administrator it is hoped that the staff position will be considerably improved in the near future.

## **DIETITIANS :**

It is generally accepted that it is of the utmost importance that there should be dietitians on the staff of the larger hospitals, and as far as is possible this policy will be carried out.

## **COLLECTIONS :**

Street collections held during the year realised the following amounts :

Mid-Week Collection .. .. .	£555 14 11
Hospital Rag .. .. .	£8,170 0 0
Hospital Saturday .. .. .	£571 15 4
Groote Schuur Hospital Association .. .. .	£395 7 10
The collections held in Peninsula Churches and Synagogues realised .. .. .	£163 17 7

Sincere thanks are due to all who assisted in these collections.

## **HOSPITAL COMMISSION :**

The report of the Hospital Commission was published during the year, and much valuable information has been made available in regard to hospital development in other parts of the world.

The Board was pleased to note that many of the findings of the Commission were in accordance with recommendations made by the Board many years ago.

## **ADDITIONAL RESIDENT MEDICAL OFFICERS :**

In view of the fact that the S.A. Medical Association intends to make it compulsory for newly-qualified medical men to do a year's internship before going into private practice, the Provincial Administration has authorised the Board to appoint additional Resident Medical Officers at the Hospitals. Fifteen have been appointed at the Groote Schuur Hospital, and one each at the Wynberg, Rondebosch and False Bay Hospitals.

## **RED CROSS WAR MEMORIAL CHILDREN'S HOSPITAL :**

Plans for the Children's Hospital are now in course of preparation. These plans will be based on information which has been obtained from leading children's hospitals in South Africa and Overseas, and every care will be taken to ensure that the hospital is up to date in every respect.

The cost of the hospital, which is estimated at £400,000 will be met equally by the Red Cross Society and the Board.

The Red Cross Society is still appealing for funds, and I hope their appeal will meet with the response from the public it so well deserves.

## **BOARD MEMBERS :**

The following changes in the membership of the Board took place during the year :

Professor B. J. Ryrie was appointed by the University vice the late Professor A. Brown.

Mr. I. Broll was appointed by the Provincial Administration to represent the Railway Sick Fund, vice Mr. O. Thiel, resigned.

Dr. J. Arnott was appointed by the Honorary Visiting Officers of the institutions other than the Groote Schuur Hospital.

Dr. Murray, one of the Administrator's representatives, and Mr. F. Bakker (Municipality of Cape Town) resigned towards the end of the year, and the loss of their services was greatly regretted by the Board.

I had the honour of being reappointed Chairman and Dr. C. M. Murray was appointed Vice-Chairman.

## **OBITUARIES :**

It is with great regret that I record the death of the following during the period under review :

Professor A. Brown, representative of the University of Cape Town and chairman of the Groote Schuur Hospital Committee.

Dr. L. Bosman a former member of the Board.

Dr. Strafford Hewitt, Medical Superintendent of the Convalescent Homes.

Mr. H. J. Brownlee, Architect to the Board over a period of nearly 20 years.

Dr. H. Stephens, a former member of the Honorary staff of the Woodstock Hospital and Honorary Consultant up to the time of his death. Dr. Stephens connection with the Hospital dated back to 1916.

## **ACKNOWLEDGEMENTS.**

I wish to take this opportunity of thanking all who assisted in the work of the Board during the past year, in particular the various Hospital Associations, the Ladies Clothing Guild, the Hospital Rag Committee and the Rotary Club. The loyal co-operation of the medical, nursing and clerical staffs has ensured the Board's work being carried out efficiently in spite of the many difficulties which have arisen from time to time. To my colleagues on the Board I extend my sincere appreciation of the support they have given me at all times.

W. D. HARE,  
Chairman.

## **MEDICAL SUPERINTENDENT'S REPORT FOR 1947.**

---

### **HONORARY VISITING STAFF :**

Although there were several changes in the personnel of the Honorary Visiting Staff, most departments were working with the full complement for the first time since the war broke out. A notable exception was the E.N.T. department, where it was only possible to fill one of the three Registrar posts by the appointment in November of Dr. W. F. Dickie-Clark.

Dr. A. M. Moll, M.P. was appointed Physician vice Dr. G. A. Elliott. Dr. P. W. J. Keet relinquished his post of Physician, but continues on the staff of the hospital as Medical Officer in charge of the Out-Patient clinic for Rheumatic Diseases. Dr. L. Mirvish was promoted to take his place.

It is with regret that I have to report the resignation of the following members of the Honorary Visiting Staff :—

Professor C. F. M. Saint, Honorary Visiting Surgeon, relinquishing the Chair of Surgery.

Professor B. J. Ryrie, Honorary Pathologist, has exchanged the Chair of Pathology for the full-time post as Dean of the Faculty of Medicine.

Dr. L. B. Goldschmidt, Honorary Urologist.

Dr. R. M. Muir, Honorary Anaesthetist, to the Department of Urology.

All these members of the staff have given very many years of faithful service and their services will be missed not only in the departments to which they were attached, but also on the various sub-committees of which they were members.

Dr. M. Cole-Rous was appointed Professor of Surgery and Honorary Visiting Surgeon (e.o.) vice Professor Saint.

## **ANAESTHETISTS :**

As from the 1st April, 1947, permission was granted to appoint two full-time anaesthetists and at the same time the salaries attached to the posts of Senior Resident Anaesthetists were considerably increased.

## **RESIDENT MEDICAL OFFICERS :**

As from the 16th July the number of Junior Resident Medical Officers was increased from 21 to 34. This has considerably eased the pressure in certain departments where it was impossible for one Resident Medical Officer to cope with the work.

## **NURSING STAFF :**

During the year a serious attempt was made to stabilise the staff, but this was made very difficult by the fact that very few staff nurses remained more than a few months.

## **RADIOLOGICAL DEPARTMENT :**

Dr. J. Jacobson, Diagnostic Radiologist, Grade D. resigned on 26:2:47, and although this post was extensively advertised both in South Africa and overseas, none of the applicants was deemed satisfactory for filling the post. Dr. J. M. Grieve, Chief Radiologist took 7 months long leave from the beginning of July. Professor J. van Roojen, who had just relinquished the post of Professor of Radiology, U.C.T. and Honorary Radiologist to the Groote Schuur Hospital, was appointed a part-time Radiotherapist during his absence.

Dr. V. Resnekov, who received his diploma in June, was appointed Temporary Radiologist to assist with therapy.

## **PHYSIOTHERAPY DEPARTMENT :**

The work of this department, which shows a steady increase, is carried out under difficulties as it has not been possible to fill all the posts in a permanent capacity.

## **DISPENSARY DEPARTMENT :**

The question of filling the posts permanently is still very acute in this department and several Temporary Pharmacists at a special rate of pay are employed. The demand for hospital Pharmacists throughout the Province—or Union for that matter—will never be met until hospitals train sufficient numbers for their own need.

## **OUT-PATIENT DEPARTMENT :**

The number of patients attending is showing an increase every month. The overcrowding at certain times is indescribable. The members of the staff who work in this department are loosing heart as every increase in the number of the Medical Staff means a bigger demand on the limited space. The number of clinical record clerks should at least be doubled, but the two rooms available for them are already so hopelessly congested that it is impossible for them to keep a check on the clinical folders.

## **ALMONERS DEPARTMENT :**

The Almoners have far too much work to cope with and on the Orthopaedic Out-Patients days they have to devote their time to the provision of appliances ordered by the Honorary Surgeons, which involves a lot of correspondence with various local authorities.

## **OCCUPATIONAL THERAPY DEPARTMENT :**

This department is still temporarily housed on the 5th floor and is a great boon to patients both physically and mentally.

I sincerely hope that adequate accommodation will be provided when they have to vacate these premises for the Neuro-Psychiatry patients.
